SUPPORTING YOU THROUGH EVERY STAGE

A fantastic opportunity to improve your equestrian skills. Work towards & achieve British Horse Society Stage Exams & Challenge Awards as part of the BHS's Professional & Recreational Pathways.

The sessions are a combination of practical stable management, theory & riding with equestrian friends. Great opportunity to try new things such as bareback riding & riding different horses and ponies.

Text or email to book onto sessions each week, no commitment necessary. Attend as little or as often as works for you.
